

# PARKING DIRECTIONS

## Children's Mercy Research Institute (CMRI)

### Visitor Garage, Levels 3 & 4

You will be entering the CMRI Auditorium through a garage entrance between levels 3 and 4. If you find yourself in an elevator or in the hospital, you're in the wrong location. Please follow the signs for Event Parking and continue down to levels 3 and 4. Do *not* take open spots you pass on upper levels – doing so adds 10 minutes to your walk.
